

22nd SCHROEDER YMCA "A+" AGE GROUP & SENIOR MEET

Coaches Cup

Presented by: A.S.C.A.

February 1, 2, 3, 2002
Brown Deer, Wisconsin

New for this year is a cash award for coaches who bring the one of the top 6 teams to our meet. This is a unique incentive and recognition for coaches and should make for a more competitive field than ever.

There will be minimum total prize money of \$4000 and a maximum of \$6000 to be divided roughly like this:

	4000		6000
Team place			
1	2000		3000
2	1000		1500
3	500		750
4	250		400
5	150		200
6	100		150
Total	4000		6000

The American Swim Coaches Association (ASCA) has agreed to give a free membership for one year (new or renewal) to any coach who wins a prize in this new system.

Look at last year's meet results: http://www.geocities.com/swim_schroeder/meet-results.htm

There will be some minor changes to next year's meet that may include strengthened time standards and more finals of females than males in the 12 & O age groups on Saturday night. The reasoning for this is based upon the disproportionately large number of female vs. male athletes historically competing in this meet because of the realities of high school swimming in the upper Midwest, generally more females participating in USA Swimming, as well as holding 13/14 and senior female swimmers to about a AA national standard while their male counterparts are at national A standards.

This means that there will be an additional B final for 11/12 girls and only A finals for 13/14 and senior boys. 8 & U remains timed final.

1. There will be more finals of females than males in the 12 & O age groups on Saturday night. The reasoning for this is based upon the disproportionately large number of female vs. male athletes historically competing in this meet because of the realities of high school swimming in the upper Midwest, generally more females participating in USA Swimming, as well as holding 13/14 and senior female swimmers to about a AA national standard while their male counterparts are at national A standards.

This means that there will be an additional B final for 11/12 girls and only A finals for 13/14 and senior boys. 8 & U remains timed final.

3. USA National individual qualifiers swim free in all of their individual events

5. Entries will be taken on a first come, first served basis until the meet is filled. **Although this meet has not filled in the last six years, it may fill in 2002.**
