## AGE GROUP & SENIOR MEET

February 4 - 6, 2005  
Brown Deer, Wisconsin

The Schroeder YMCA's Aquatic Center has been the host of many great meets for 25 years. Please consider adding our A+ meet to your schedule. We awarded \$4000.00 to the top coaches at our meet last year. The quality of the field, the facility and the competence of our friendly meet management staff make this one of the Midwest's best meets.

1. In 2004 we utilized a new Proof of Time system and will use it again in 2005: To cut down on the number of annoying trips to the proof of time table and allow the coaches and swimmers to concentrate on the meet, only some of the non-qualifying times will be asked to prove their times. We still feel that proof of time is essential to maintaining the meet's relative quality and the fine is \$100.00.
2. Preferred warm up time on Saturday morning. We will open the facility doors at 6:00 AM and have no more than 160 athletes in the water until 7:00 AM. Teams may volunteer for this early slot and be assured a quality warm up period. Other teams will not be able to enter the water until 7:00 AM and the early birds will have to get out until 7:40 AM at which time they may re-enter the water for a specific warm up.
3. There will be more finals of females than males in the 12 & O age groups on Saturday night. The reasoning for this is based upon the disproportionately large number of female vs. male athletes historically competing in this meet because of the realities of high school swimming in the upper Midwest, generally more females participating in USA Swimming, as well as holding 13/14 and senior female swimmers to about a AA national standard while their male counterparts are at national A standards.
4. This means that there will be an additional B final for 11/12 girls and only A finals for 13/14 and senior boys. 8 & U remains timed final.
5. Friday evening and Sunday events are timed final. Sunday the 12 and Unders start at 10:05 am and the Seniors swim in the afternoon.
6. Printable heat sheet will be available from our site. A limited number of heat sheets will be available for sale.
7. Friday's events will be pre-seeded.
8. Entries will be taken on a first come, first served basis until the meet is filled.
9. Proof of time: bring proof of time to the meet, **\$100.00** fine for not making the entry standards and not proving the times. Swimmers will be barred from their next events until proof or fine paid.
- 10. Please make sure that you follow the entry limits. Each swimmer is allowed seven total events! Enter in short course yard times regardless of the way your athletes achieved the time standards only!!!!**
11. Coaches pick up your team's awards, they will be bagged and will not be mailed
