#### ENTRIES:

**10-Under swimmers** may enter a maximum of 7 individual events plus relays and time trials. However, these entries are limited to 4 individual events per day in any combination of meet events and time trials.

**11-12 swimmers** may enter a maximum of 7 individual events plus relays and time trials. However, these entries are limited to 3 individual events per day in any combination of meet events and time trials.

**Relays:** Teams may enter an "A" relay regardless of athlete counts. **If you want to enter a "B" relay, your team must have at least 5 individual qualifiers in that age group for each gender (for example, 5 10&U boys qualified for the meet allows you to swim an A and B relay).** If you have 9 athletes, then you can have a "C" relay and so on. 10&U relays will be swum to completion in the morning sessions. The fastest 8 checked in relays will swim at night for all 11-12 relays with all other heats being swum to completion in the morning sessions. Relay only swimmers should be added to event 201 or 202.

Additional relays can be entered after the initial entry deadline of February 14<sup>th</sup> if a team gains additional qualifiers between February 15<sup>th</sup> and 19<sup>th</sup>. Teams must send a new commlink file to Laurie Carlson at [Laurie@swim-express.com](mailto:Laurie@swim-express.com) if this happens and adhere to the entry deadlines outlined below. All emails regarding entries should be directed to Laurie at the above email address.

**\*\*Bonus Event: If you have qualified in 1-6 events for the meet, you may swim another event that you have not qualified for. However, you are only allowed ONE bonus event no matter how many events you have qualified for.**

**\*\*\*Please note – Meet management needs bonus entries to be included in the commlink file but also hand written out in the email with the file. This way we can decipher what is an exception and what is a bonus event.**

**ENTRY DEADLINE:** The entry chair must receive a complete commlink file no later than Tuesday, February 14, 2006. All files should be e-mailed. Please do not send a disk with your waiver. Signed waiver and fees are due by Wednesday, February 15, 2006. You will receive a confirmation email and an athlete/entry report from the entry chair by Friday, February 17, 2006.

Emailed additional entries will be accepted until 12:00PM on Monday, February 20, 2006 for anyone qualifying between February 15th, 2006 and February 19th, 2006. This is only for additional events, not for updating times. Fees for these additional events are due before the meet begins on February 24, 2006.

No entries will be changed once the entries have been posted on the Wisconsin Swimming web site Tuesday, February 21, 2006 unless it is a meet management entry mistake. No entries will be taken over the phone. This meet will be run using Hy-Tek meet manager.

**ENTRY FEES:** \$3.00 LSC splash fee per swimmer  
\$5.00 for 10-Under individual events  
\$6.00 for 11-12 individual events  
\$16.00 per relay

**PROOF OF TIME:** All submitted entry times will be compared to the USA Swimming SWIMS database throughout the course of the meet. Swimmers who fail to achieve the time standard at the meet, and are not able to be proven through the SWIMS database must prove they have achieved the time standard with a printed meet result or pay a \$50.00 fine before swimming their next event or the swimmer's team competes in any further relays. All swimmers disqualifying in individual events must also prove their times if not in the database. The PROOF-OF-TIME, SCRATCH, and POSITIVE CHECK-IN table will be located outside of the pool office. Swimmers whose times are listed in the USA Swimming National Times data base will not have to come to the proof of times table. It is meet management's understanding that all USA swimming sanctioned events will be in the database. If a time is not in the database, you must present a proof of time to the table. Time trials from this meet will not be accepted for proof of time.

**DECK SEEDING:** Deck Entries will not be accepted. Deck Registrations will not be accepted.

**NON CONFORMING TIMES:** DO NOT CONVERT. Swimmers must be entered at their best time. All courses may be used. Non-conforming times will be seeded after SCY times. The order used for seeding will be SCY-SCM-LCM.

**Please read through the scratch rules outlined below:**

**Ind. Scratch Rule:**

*Pre-seeded Events* – Each swimmer shall report promptly to the starting blocks prior to the start of each race in which the swimmer is entered. Any swimmer not reporting for or competing in an individual timed final event shall not be penalized. Any swimmer not reporting for or competing in a preliminary heat when finals are scheduled shall not be penalized.

*Events Seeded on the Deck* – Any swimmer entered in an individual event that is seeded on the deck, who has checked in for the event, must swim in the event unless the swimmer notifies the clerk of course before the seeding for that event has begun that the swimmer wishes to scratch. Failure to scratch prior to seeding and not swimming the event will result in the swimmer being barred from the next individual event in which the swimmer is entered on that day or the next meet day, whichever is first. Events seeded on the deck shall be closed for seeding no earlier than thirty (30) minutes prior to the start of the session in which the event is scheduled.

**Relay Scratch Rule:**

*Pre-seeded Events:* -- Any relay team entered in a pre-seeded event that fails to compete in or report for that event shall not be penalized.

*Events Seeded on the Deck* – Any relay entered in a relay event that is seeded at the meet, that has been checked in and the swimmers' names declared for that event, must swim the event unless the clerk of course is notified before the seeding for that event is begun that the relay team wishes to scratch. A relay team member failing to appear ready to swim for the relay event shall be barred from their next individual event in which the swimmer is entered, either that or the next meet day. The relay team members who do appear ready to swim shall not be penalized for failure of the other relay team members to appear. Exceptions: Relay teams or team members who give acceptable notification to the

referee of illness, injury, or that failure to compete caused by circumstances beyond the control to the swimmer(s) shall not be penalized. Finals shall include those events deck seeded but swum as timed finals in prelim finals competition. Typically, those are the distance events and relay events.

**Scratching from Consolation Finals or Finals:**

Any swimmer qualifying for a consolation final or final race in an individual event who fails to compete in said consolation final or final race shall be barred from further competition for the remainder of the meet. Disqualification under this section shall only apply to swimmers qualifying based on the original preliminary results. In the event of withdrawal or barring of a swimmer from competition, the referee shall fill the Bonus/Consolation or Final Heat when possible, with the next qualified swimmer(s). First and second alternates shall be announced along with the final qualifiers. These alternates shall not be penalized if unavailable to compete in the finals. When bonus/consolation finals have not yet been swum and a barring or withdrawal is known to the referee, the referee shall re-seed the consolation final and final, if necessary, by inserting the alternates(s) in the appropriate lane(s), filling all lanes in finals. If a consolation final has been contested, the companion final shall be swum without reseeding for empty lanes. Finals shall include those events deck seeded but swum as timed finals in prelim / finals competition. Swimmers must declare their intent to scratch thirty (30) minutes after the initial posting of the individual event results. Swimmers must officially scratch thirty (30) minutes after their last individual event of the day.

*Time Trials*  
Sanction # 2006-036 WI

Time trials are available only to those swimmers entered in the 12&Under State Championship Meet.

- Times:** Time Trials will be offered three days and/or as time permits and at the discretion of the meet director(s) as per LSC mandate.
- Events:** See meet order of events listing.
- Fees:** \$8.00/individual event and \$18.00/relay event.
- Registration:** At the meet management table located outside of the pool office. Entries will be accepted during the prelim and final sessions up to a half hour before the end of the session. Swimmers in the last event of the day have up until ten minutes after the end of that event to sign up for time trials.
- Procedures:** Swimmer(s) will sign up for an event at the meet management table. Swimmer(s) will fill out a seed card at the table – swimmer's name, age, team, event name and seed time. Seed card and event fee must be turned in to the table before the registration deadline. A meeting for all time trial participants and timers will be held prior to the start of time trials. Cards with heat and lane assignments will be handed out at this meeting. It is the swimmer's responsibility to be ready to swim when his/her event, name, and lane number are called. The referee will not hold the start of the event, waiting for a swimmer (or timer) to show. An announcement will be made that time trials are beginning and swimmers and their two timers should report to the meeting immediately. ALL Time Trial cards (whether or not a swimmer swims a desired time) MUST be turned in at the end of each heat.
- Meet Host Provides:** Officials, Timing System Operator, Meet Management
- Swimmer(s) Provide:** Two (2) Timers, Two (2) Watches, and Counter (if needed)
- Reminders:**
- \*The maximum number of individual events in one day is three (3) for the 11-12 swimmers. It is 4 per day for 10&U. This includes time trials (USA 102.2.5 and 102.2.6). This means that on Sunday, for example, a swimmer may swim 3 individual events total, including a combination of: 1) only time trials, 2) combined time trials and meet events, or 3) only meet events.
  - \*Time trials begin promptly. It is the responsibility of the swimmer to be at the blocks, complete with his/her two timers (and two watches), ready to swim.
  - \*Timers must turn in their cards whether or not a swimmer achieves a desired cut time.
