- Bonus Event:** If a swimmer has qualified in 1 – 4 events for the meet, s/he may swim one other event that s/he has not qualified for. The swimmer is only allowed ONE bonus event no matter how many events s/he has qualified for. Please note—Meet Management needs the bonus entries to be included in the commlink file, and also typed out in the email sent with the file. Be sure to use the Hy-tek options for indicating bonus entries when you prepare your entry file. This will assist Meet Management in deciphering Bonus Entries from Exceptions. Anyone entered in a bonus event who achieves a qualifying time in that event between July 24 and July 30 may update the time in that event only and a new bonus event may be added as long as the maximum of 5 individual events is not exceeded. Enter NT if the athlete has never swum the event.

- Relay Limit:** In order to enter a relay, a team must have 4 individual event qualifiers in that age group. If the size of the meet goes beyond the facility maximum requirements, teams may be limited to an "A" and "B" relay, or perhaps even limited to just an "A" relay. Do not enter an athlete with the intent to scratch that athlete from his/her individual event to qualify a relay.
- Deck Entries:** Deck entries will not be accepted. Deck registration will not be accepted.
- Fees:** Individual events are \$5.00 per event and Relays are \$16.00. All swimmers entered must pay the \$5.00 Wisconsin Swimming LSC surcharge.
- Seed Times:** DO NOT CONVERT. Swimmers must be entered at their best time. All courses may be used for entry. Non-conforming times will be seeded after LCM times. The order used for seeding will be LCM-SCM-SCY.
- Proof of Time:** Prior to the meet, entry times submitted by July 24, will be compared to the USA Swimming SWIMS database. (Any times submitted after July 24 will not be pre-proven. Coaches should bring printed final results or printouts from the SWIMS database to prove times.) Competitors not swimming equal to or faster than the meet time standard and not pre-proven through the SWIMS database must prove their time with printed meet results or print outs from the SWIMS database, or pay a \$50 fine. **Coaches, please check the SWIMS database prior to coming to the meet to verify proof.** If the times are not listed in the SWIMS database, a hard copy of the results must be presented to prove times.
- All swimmers disqualifying in individual events must also prove their times. Time trials from this meet will not be accepted for proof of time. Proof must be provided, or fine paid, immediately following an event that does not meet the time standard, and in all cases, before the swimmer competes in another event or before that swimmer's team competes in any further relays. All proofs must be completed by the conclusion of Sunday's events. There will be no refunds for proofs after that time. Proof of time will be accepted at the meet management table in front of the glass office

**Ind. Scratch Rule:**

*Pre-seeded Events* - Each swimmer shall report promptly to the starting blocks prior to the start of each race in which the swimmer is entered. Any swimmer not reporting for or competing in an individual timed final event shall not be penalized. Any swimmer not reporting for or competing in a preseeded preliminary heat when finals are scheduled shall not be penalized.

*Events Seeded on the Deck* - Any swimmer entered in an individual event that is seeded on the deck, who has checked in for the event, must swim in the event unless the swimmer notifies the clerk of course before the seeding for that event has begun that the swimmer wishes to scratch. Failure to scratch prior to seeding and not swimming the event will result in the swimmer being barred from the next individual event in which the swimmer is entered on that day or the next meet day, whichever is first. Events seeded on the deck shall be closed for seeding no earlier than (30) minutes prior to the start of the session in which the event is scheduled.

**Relay Scratch Rule:**

*Pre-seeded Events* - Any relay team entered in a pre-seeded event that fails to compete in or report for that event shall not be penalized.

*Events Seeded on the Deck* - Any relay entered in a relay event that is seeded at the meet, that has been checked in and the swimmers' names declared for that event, must swim the event unless the clerk of course is notified before the seeding for that event is begun that the relay team wishes to scratch. A relay team member failing to appear ready to swim for the relay event shall be barred from the next individual event in which the swimmer is entered, either that or the next meet day. The relay team members who do appear ready to swim shall not be penalized for failure of the other relay team members to appear. Exceptions-Relay teams or team members who give acceptable notification to the referee of illness, injury, or that failure to compete caused by circumstances beyond the control of the swimmer(s) shall not be penalized. Finals shall include those relay events deck seeded but swum as timed finals in prelim-finals competition.

**Scratching from Cons./Finals**

Any swimmer qualifying for a consolation final or final race in an individual event who fails to compete in said consolation final or final race shall be barred from further competition for the remainder of the meet. Disqualification under this section shall only apply to swimmers qualifying based on the original preliminary results. In the event of withdrawal or barring of a swimmer from competition, the referee shall fill the consolation final or final when possible with the next qualified swimmer(s). Listed alternates shall be announced along with the final qualifiers. These alternates shall be based on original preliminary results prior to any scratches. These alternates shall not be penalized if not available to compete in the finals. When consolation finals have not yet been swum and a barring or withdrawal is known to the referee, the referee shall reseed the consolation final and final, if necessary, by inserting the alternate(s) in the appropriate lane(s), filling all lanes in finals. If a consolation final has been contested, the companion final shall be swum without reseeding for empty lanes. Finals shall include those events deck seeded but swum as timed finals in prelim finals competition. Swimmers must declare their intent to scratch within thirty (30) minutes after the initial posting of the individual event results.
