#### **Ind. Scratch Rule:**

*Pre-seeded Events* - Each swimmer shall report promptly to the starting blocks prior to the start of each race in which the swimmer is entered. Any swimmer not reporting for or competing in an individual timed final event shall not be penalized. Any swimmer not reporting for or competing in a preseeded preliminary heat when finals are scheduled shall not be penalized.

*Events Seeded on the Deck* - Any swimmer entered in an individual event that is seeded on the deck, who has checked in for the event, must swim in the event unless the swimmer notifies the clerk of course before the seeding for that event has begun that the swimmer wishes to scratch. Failure to scratch prior to seeding and not swimming the event will result in the swimmer being barred from the next individual event in which the swimmer is entered on that day or the next meet day, whichever is first. Events seeded on the deck shall be closed for seeding no earlier than (30) minutes prior to the start of the session in which the event is scheduled.

#### **Relay Scratch Rule:**

*Pre-seeded Events* - Any relay team entered in a pre-seeded event that fails to compete in or report for that event shall not be penalized.

*Events Seeded on the Deck* - Any relay entered in a relay event that is seeded at the meet, that has been checked in and the swimmers' names declared for that event, must swim the event unless the clerk of course is notified before the seeding for that event is begun that the relay team wishes to scratch. A relay team member failing to appear ready to swim for the relay event shall be barred from the next individual event in which the swimmer is entered, either that or the next meet day. The relay team members who do appear ready to swim shall not be penalized for failure of the other relay team members to appear. Exceptions-Relay teams or team members who give acceptable notification to the referee of illness, injury, or that failure to compete caused by circumstances beyond the control of the swimmer(s) shall not be penalized. Finals shall include those relay events deck seeded but swum as timed finals in prelim-finals competition.

#### **Scratching from Bonus/Cons./Finals**

Any swimmer qualifying for a bonus heat, consolation final or final race in an individual event who fails to compete in said bonus heat, consolation final or final race shall be barred from further competition for the remainder of the meet. Disqualification under this section shall only apply to swimmers qualifying based on the original preliminary results. In the event of withdrawal or barring of a swimmer from competition, the referee shall fill the bonus heat, consolation final or final when possible with the next qualified swimmer(s). Listed alternates shall be announced along with the final qualifiers. These alternates shall be based on original preliminary results prior to any scratches. These alternates shall not be penalized if not available to compete in the finals. When bonus heats or consolation finals have not yet been swum and a barring or withdrawal is known to the referee, the referee shall reseed the bonus heat, consolation final and final, if necessary, by inserting the alternate(s) in the appropriate lane(s), filling

all lanes in finals. If a bonus heat or consolation final has been contested, the companion final shall be swum without reseeding for empty lanes. Finals shall include those events deck seeded but swum as timed finals in prelim finals competition.
