

## 2012 Wisconsin Swimming Athlete Representative Ballot

\_\_\_\_\_ Bridgette Alexander

Hi my name is Bridgette Alexander from J-Hawk Aquatic Club and I would like to be considered for Athlete Representative on the LSC Board. It would be an honor for me to represent the many fine swimmers we have here in Wisconsin. I also would like to grow as a swimmer by learning the behind the scenes operations that makes Wisconsin Swimming so successful. I would take this roll very seriously and bring to the board the concerns and successes of our swimmers as well as share the many great things that come out of Wisconsin swimming with my fellow swimmers.

\_\_\_\_\_ Cady Gansen

My name is Cady Gansen and I am interested in being an athlete representative for Wisconsin Swimming. I have swam for South Central Swim team since I started competitive swimming 6 years ago.

I would like to be an athlete representative because I would like to incorporate input from athletes, as well as offer opinions from an athlete's point of view. I think being an athlete representative would be a great experience and I hope I have the chance to have a role in Wisconsin Swimming.
