RE: 2012 CHAMPIONSHIP MEET BIDS

At the upcoming House of Delegates meeting scheduled for Sunday, March 27th, 2011 in the Wisconsin Dells (check the website for details) the House of Delegates will be determining the venue and host for the 2012 Championship Meet Season (both Short Course and Long Course).

I will be taking bids for **JUST** the Championship meets for 2012. Wisconsin Swimming will continue to follow the regular meet bid schedule for non-championship meets.

If your team wishes to host either the Regional Championship OR the Silver State Championship meets in 2012, please complete a meet bid form (http://wisconsinswimming.org/Meet_Bid_2010.pdf) along with a \$20 meet bid fee.

If you wish to host a 12/Under State Championship and/or 13/Over State Championships I will need a completed the State Championship Meet Bid Application (http://wisconsinswimming.org/State_Meet_Bid_2010.pdf) along with a \$20 meet bid fee.

*Please note at the top of the application which meet you are bidding (i.e. 12/U SCY, 13/O SCY, etc).

The deadline for Championship meet bids is Friday, March 11th – so that I can get the bids posted on Wisconsin Swimming's website prior to the March 27th House of Delegates meeting.
