

3/7/06

Drew (and other Lsc board members),

The Schroeder YMCA has determined that future LSC championship meets held at the Schroeder YMCA will need to be smaller and held to the participant limits listed below. We have determined what those limits are for short course and long course as well as 12&U and 13&O meets. Although we do not control any other facilities in the state, we feel strongly that these numbers can not be exceeded at any other facility in the state either due to water space and/or seating capacity.

The Schroeder YMCA has been the host site for many Wisconsin LSC championships over the years and is sincerely interested in continuing to be one of Wisconsin Swimming's primary venues for its championship meets. The February / March championships for 2005 and 2006 that were held here were too big for our facility to handle in our opinion. This was the 2nd year in a row that this occurred. Our hope is that Wisconsin Swimming's leadership changes the format of its meets held at the Schroeder YMCA so that the YMCA, its neighbors and the participants in the meet, can fully enjoy their competitive experience here.

Placing a cap on participation may seem arbitrary, but with current meet management software and with our experience it is clear that these numbers are correct. How the LSC arrives at these numbers is up to the leadership of the LSC.

Short Course Championship Meets

12&U – 625 total participants (no more than 525 per session)

13&O – 725 total participants (no more than 600 per session)

Long Course Championship Meets

12&U – 475 total participants (no more than 375 per session)

13&O – 575 total participants (no more than 475 per session)

Please let the YMCA know if the Wisconsin LSC is interested in conducting its championship meets within these guidelines.

Thanks,

Dave Anderson and Matt Miller
Co-Head Swimming Coaches

2006
2006 13 & Over State Championship Meet - 3/2/2006 to 3/5/2006

Hosted By Lake Country Phoenix Swim Team, Sanction #: 2006-033WI
