

PROPOSED CHANGE TO WISCONSIN SWIMMING POLICY 2.3.6, Distribution of Meet Announcement

Recommended by Rules Committee, September 22, 2010

- 2.3.6 A Meet Host not accepting reservations until the Meet ~~Information~~ Announcement is ~~mailed or e-mailed~~ posted on the LSC web site must:
- a. ~~Mail or e-mail the Meet Information to Wisconsin LSC teams one week prior to sending Meet Information to non-LSC teams.~~
 - b. A. Indicate in the Meet ~~Information~~ Announcement an entry deadline for non-LSC teams that must be a minimum of two (2) weeks after the date the Meet ~~Information~~ Announcement is posted on the LSC web site ~~or is mailed to all clubs~~. Non-LSC teams may send entries before the non-LSC entry deadline to establish priority for non-LSC teams; but these entries may not bump any Wisconsin LSC entries received before the non-LSC entry deadline.
 - e. B. Reduce the number of Meet entries, when entries received by the entry due date exceed the permitted number of entries. (Refer to 2.3.3)

Rational

- Consistent use of the LSC web site to distribute information
- Consistent use of Meet Announcement
