Wisconsin Swimming Championship Bid Application

The DeForest Aquatic Club is a year round competitive swim club serving 160 members from the communities of DeForest, Windsor, Madison, Morrisonville, Sun Prairie, Waunakee, Waterloo, Baraboo, and Lodi. We have a strong parent board and members who actively support the club by putting on three different format meets (2 at DeForest High School and 1 at Sun Prairie High School) each year, including a quality meet, a two-day meet, and a pentathlon. The Club is willing to step up and host this meet in a new state of the art facility as the LSC should consider different clubs to host championship meets so as not to burden the same clubs each year, or in some cases multiple times each year. Our Club has made a commitment to being active in the LSC. DFAC representatives are currently the coaches chair and officials chair. We also have been represented by coaching at the zone meets, running LSC camps, volunteering at LSC camps, and serving on the diversity committee. We participate in all major LSC meets and feel we know what comprises a well-run championship meet. We would be honored to run one of these meets for the LSC.
